Gentlemen:

We have reviewed our records carefully since receiving Change Order No. 1 to the above designated contract. We have located and have tagged the following items listed on Exhibit "B" List of books ordered on Project 4537:

<u>Item No.</u>	<u>Inventory No.</u>	<u>Item No.</u>	<u>Inventory No.</u>

Item No. 3 is a part of Item No. 12. Item No. 8 is the translation of Item No. 12.

Item No. 19 is listed on our Exhibit "A" as Item No. 9.

Item No. 26 is listed on our Exhibit "A" as Item No. 12.

Items 6 and 20 are one and the same on your list.

Items 12 and 21 are one and the same on your list.

We have not, to date, located Item No. 3, N.M. Volkov, Printsipy i Metody Kartometrii, 1950

We feel that some error has been made in your request for us to transfer accountability for the following items which are either maps or subscriptions to pamphlet type publications. These items are normally expendable under any contract. We see no reason why they should be picked up as property items under this contract. The items in question are:

No. 9 Maps cost \$2.50

No. 10 Maps cost \$3.00

No. 15 Monthly List of Russian Accessions, Vol. 4, No. 9,
Dec 1951, Library of Congress

No. 16 Current Geographical Publications, Additions to the Research
Catalogue of The American Geographical Society.

Would you be so kind as to advise as to where you picked up this item in your audit.

Your comment regarding the above will be appreciated. In the meantime I will hold Change Order No. 1 until we arrive at some agreement as to the exact books we are to be responsible for and a revised list is prepared.

Yours very truly,
